In the event the board makes an initial determination that an applicant does not meet the requirements for licensure, or that an applicant should be granted a limited or conditioned license, or that an applicant does not meet the qualifications for a letter of qualification under the Interstate Medical Licensing Compact, the board shall promptly give the applicant notice, personally or by certified mail, that it has made an informal decision to deny the application or to place conditions or limitations on the applicant's license. The board shall also advise the applicant as follows:

1. The applicant has the right to have the merits of the application considered at a formal hearing in accordance with the provisions of the North Dakota Administrative Agencies Practices Act, North Dakota Century Code chapter 28-32.
2. To secure a formal hearing on the merits of the application, the applicant must contact the board to request the hearing within sixty days of being given notice of the board's informal decision.

In the event an applicant does not request a formal hearing within sixty days of the date on which the applicant is given notice that the board has made an informal decision to deny the application or to place conditions or limitations on the applicant's license, then the board's informal decision will become the final order of the board.
